Of course we would be happy to create a tailored menus for your group from our seasonal a la carte menu. We are able to print your chosen menu with whatever heading or logos you wish for the meal.

Capital M has an extensive wine list and are happy to help you choose a wine to match your chosen menu.

Please feel free to contact our Restaurant Managers for advice.

Please contact [events@capital-m-beijing.com](mailto:events@capital-m-beijing.com) to discuss which options would be most suitable for your evening.

If you wish to have some pre dinner drinks and canapés, we can reserve an area of the bar or a private area of our terrace for your group. We have a range of beverage packages, wines, Champagne or Prosecco to enjoy including our Pre Dinner Cocktail Package.
